True to its roots as a business law firm, Bingham Greenebaum Doll LLP offers counsel to organizations of all types and sizes. We regularly advise Boards of Directors and management on corporate, shareholder and commercial matters, and we know that every decision a company makes may shape its future. That is why we leverage our depth and breadth of legal experience to arm businesses with creative and professional solutions for a wide range of matters, from entity formation and capital-raising to the sale and disposition of a business — and every stage in between.

We serve clients in a variety of manufacturing and service industries, from domestic start-up companies to multi-national corporations located throughout the United States and abroad. Bingham Greenebaum Doll’s client list is comprised of privately held corporations, public companies, partnerships, limited liability companies, joint ventures and professional corporations.

Our services range from business planning, contract negotiation and drafting to mergers and acquisitions. We prepare public filings; are knowledgeable in the procedures for managing federal and state regulatory issues; and are versed in all aspects of corporate transactions. We offer responsive and innovative counsel for structuring, negotiating and documenting mergers, acquisitions, joint ventures and other business transactions. We have substantial depth in securities law matters, including initial public offerings, tender offers, proxy contests and change of control transactions. Our diverse experience allows us to provide valuable advice that is integral to effective transactions. We have experience with:

- Annual corporate compliance
- Business succession planning
- Choice of entity analysis
- Corporate finance
- Contract negotiation & drafting
- Director obligations
- Entity formation
- Executive/management compensation
- Franchising and licensing
- Mergers & acquisitions
- Patents, copyrights, trademarks
- Shareholder relations
- Securities regulation
Bingham Greenebaum Doll LLP’s attorneys routinely represent domestic and foreign clients in multi-national transactions. Our attorneys counsel U.S. businesses and individuals with operations and investments in Europe, Mexico, South America, Canada, Japan, China, Australia and other countries. Additionally, we counsel foreign owned companies with investments in the United States.

Bingham Greenebaum Doll LLP augments its expansive regional and international experience with membership in TerraLex®, a network of independent law firms strategically located in nearly 100 countries throughout the world. Through TerraLex®, Bingham Greenebaum Doll LLP has quick access to attorneys familiar with the laws of the many countries in which our clients do business.
